

MEGAMOBIL

Custom made dreams

2020

Our story, your experience

Mega tekstil, d.o.o., a company from Slovenska Bistrica with its trademark **MEGAMOBIL** presents itself on the Slovenian market as a young company with a lot of knowledge, experience and expertise in the caravanning industry.

We strive towards custom solutions so you can feel at home while travelling. The redesigned **MEGAMOBIL** vans are exciting holiday vehicles with an advanced design and are custom made according to your wishes that transform mobility, travel, roaming and camping into an experience.

We want to raise caravanning in Slovenia to a new level, win over many new fans and provide high quality products and services to our existing fans.

Research and development

We are constantly developing innovative products with added value, which are all fruits of our knowledge and inspiration. All products are of high-quality and in the top of their product range, as our key success factors are knowledge and experience in the field of development

We are thinking about you

There is always something you would do your way in your camper. Our goal in **MEGAMOBIL** is to design a completely individual, custom made, dream camper, and to assemble it according to your suggestions and desires.

Ready for summer and winter

We guarantee the proper air temperature – not only in the summertime. With 25 mm thick **high-performance insulation** and **Truma combi heating system** your vehicle adapts to hot summer days, as well as cold winter nights.

Mega quality

We are present on the market under the brand name Megatekstil d.o.o., which produces top-quality products that compete with the biggest European manufacturers in efficiency and quality. All our employees are embedded in this process, as our business goal is to systematically approach our customers and offer a variety of solutions for every individual customer.

A large, textured tree trunk is the central focus of the image, set against a background of a dense forest with many other trees. The lighting is dappled, with sunlight filtering through the leaves. The text 'MEGACLASSIC 600' is overlaid at the bottom of the image in a white, bold, sans-serif font.

MEGACLASSIC 600

MEGACLASSIC 600

Compact and articulated – still, has everything to conquer the world. With a length of 5.98 m, the **MEGACLASSIC 600** represents a golden middle-range in the MEGA caravan.

However, when it comes to convenience and storage space, the MEGACLASSIC-600 with its intelligently designed interior makes no compromises. You could hardly wish for more!

A wide-angle photograph of a golf course green during autumn. The green is well-maintained and features several sand traps. In the background, a line of trees with vibrant yellow, orange, and red foliage stands against a clear sky. A yellow flag is visible on the green in the distance. The overall scene is bright and scenic.

MEGAREVOLUTION⁶⁴⁰

MEGAREVOLUTION⁶⁴⁰

The **MEGAREVOLUTION 640** camper offers a lot of space. The electrically infinitely variable bed can be used in any desired position. This means you always have optimal storage space and the bed available at the same time. Annoying bed conversion is spared.

One floor double bed is available as an extension option.

MEGARE-AKTIV⁶⁸⁰

MEGARE-AKTIV 680

Among the first motorhomes in its class built on the Volkswagen Crafter or MAN TGE chassis, **MEGA MOBIL** represents a whole new era of high-end travel. Now with four-wheel drive and other enhancements, **MEGA MOBIL** continues to raise the level of caravanning in Europe. The well-planned **RE-AKTIV** floor plan offers various seating, sleeping, bathing, and cooking options highlighted by top interior design, luxurious SAHARALINE® equipment, and LED technology. This complete recreational vehicle features stainless steel appliances and a fridge with a compressor for optimum cooling. Option of an awning, LED lighting, and an expandable solar energy system outside that helps maintain energy flow, even when you're not connected to a power grid. Travel in style and camp luxuriously: See the world in your **MEGA RE-AKTIV**.

Basic version colour: CPL Eiche Natur Halifax. Optimum seat distribution with extendible seats for even more comfort.

90-litre fridge with innovative double-sided door.

A safe storage space.

MEGAVARIO AKTIV 680

MEGAVARIO AKTIV 680

MEGAVARIO 680 - Designed on the MAN TGE or VW CRAFTER chassis, it has been designed with sleek style and advanced features to create a recreational vehicle layout tailored for an elite travel experience. The floor plan of our vehicle uses every inch of the van, from the two Captain-Chair seats in the front and the pull-out bench in the back, to the kitchen with a luxurious fridge and top standard equipment. Then there's the premium family bed at the back which can be converted into two single beds with stairs for easy passage. A true luxury icon, the **MEGAVARIO 680** is just another way of **MEGA MOBIL** ensuring travellers enjoy the kind of freedom found only on the open road.

Basic version colour: CPL Chromix Silver. The dining area with an extendible table perfectly complements the kitchen.

A transverse cupboard for more storage which is really important in camping.

Comfortable single beds for a comfortable rest.

Extremely spacious drawers can store a lot of dishes and cooking equipment.

A spacious bathroom you can use for different purposes - tailored to your needs.

Part of the basic layout is a large bed.

Single beds for a good night's sleep and more space in the vehicle.

MEGAVARIO System - additional steps for easier access to the bed.
